

Vancouver Island Region – Porsche Club of America

Regarding the British Columbia government plans and allowances I would refer you to this government website link below outlining the phases of re-opening. We are currently in Phase 2 with Phase 3 approaching in June.

<https://www2.gov.bc.ca/gov/content/safety/emergency-preparedness-response-recovery/covid-19-provincial-support/bc-restart-plan>

As the permissions allow we will manage our events accordingly. All are limited attendance.

- local drives will all be pre-registered.
- No overnight events are planned at this time

Local driving events

- limited to 20 cars (max 50 people).
- we will be providing NO physical contact.
- All waivers will be signed through MotorsportReg SpeedWaiver
- there may be an on-site driver's meeting "if" we can do this and maintain personal distancing adequately.
- the driver's meeting outline and the start location/time will be communicated via email.
- all members are encouraged to wear a mask if not in their vehicle however this is at the individual's discretion.
- masks are not a government mandated requirement.
- personal protective equipment (mask/gloves/hand sanitizer) will be on hand as required for those group leaders that may have to share sanitized equipment.
